ADVANTAGES OF 3DL

BACTERIA RESISTANT

Non-porous materials mean dirt and grime have nowhere to hide.

HIGHLY CONSISTENT

Our materials go through thorough independent testing to ensure quality and consistency.

WATER RESISTANT

Seamless construction leaves no edges or gaps for water to penetrate.

MAINTENANCE FREE

Highly durable and cleans easily with soap and water.

SHELVES

Floating shelves with concealed bracket. Designer finishes in mattes, stones, and beautiful woodgrains.

Custom heights, depths, and additional miter-fold options available.

PRO TIP:

More than just floating shelves. Corner and end shelves available to order for use with any shelving system.
