Subject: **Compliance with Federal EPA TSCA Title VI Requirements**

To Whom It May Concern,

This letter confirms Northern Contours' commitment to compliance with TSCA Title VI requirements as a fabricator. As such, we can declare that any composite-wood containing parts supplied to our Customers will comply with TSCA Title VI requirements. Certificates of compliance from our wood vendors are available upon request. Additionally, examples of an invoice and / or packing slip with the required labeling "Finished Goods with Composite Wood comply with TSCA Title VI/CARB Phase 2 and CPA ECC 4-11" can be provided upon request.

Sincerely,

Cindy Ika
EHS Specialist
